

SHO-ME®

07.3000 Crown Victoria Bucket Seat Mounting Bracket for use with 07.0200 / 07.0300 / 07.0400 Equipment Racks

NO DRILL INSTALLATION!!

General:

The purpose of this bracket is to allow the Equipment Rack to mount between bucket seats without drilling any holes.

INSTRUCTIONS

1. Bolt the two legs to the base of the Equipment Rack with supplied hardware.
2. If the equipment is mounted in the Equipment Rack you are now ready to mount the legs to the floor.
3. Remove front bolts from both bucket seats. Center the Equipment Rack over the hump. Raise seat bracket from floor. Slide legs under seat brackets until slotted holes line up with the seat holes.
4. Re-install and tighten seat bolts securely.
