INSTALLATION INSTRUCTIONS

Choose a location to mount your 12.5033 light, keeping in mind the airbag deployment area and any other obstacles. Use the L brackets (included) to mount the Luminator light. Vary the height of the LED Light by positioning the longer side of the L bracket flat against the mounting surface for a lower height. Position the shorter side of the L bracket flat against the mounting surface for a higher height. After mounting to the desired height, connect to lighter or accessory outlet.
