

Multi-Purpose Back-Up Alarm

Model 13.0030

INSTALLATION INSTRUCTIONS

Back-up alarms should be installed on the rear of the vehicle in a location that will provide protection from weather conditions and minimize the possibility of damage in the event of collision. Alarms should be mounted approximately 4' above the ground with the face of the alarm directed toward the rear or hazard zone of the vehicle.

Self-adjusting models must "hear" the surrounding sound level in order to properly adjust output decibels. Mounting location is important and can affect proper function of automatic decibel adjustment. Installer "must" insure alarm is installed in a location that will take advantage of maximum decibel output.

ELECTRICAL CONNECTIONS

1. Figure 1 - for vehicles with back-up light circuit.
2. Figure 2 - for vehicles without back-up light circuit.
The use of a back-up switch (not included) is required.
3. Use 18-gauge wire (minimum) for installation.

LIMITED WARRANTY

Able 2 Products Company warrants each new product (except bulbs, strobe tubes and strobe power supplies) to be free from defects in material and workmanship for a period of one year from date of purchase. During this warranty period, the obligation of Able 2 is limited to repairing or replacing, as Able 2 may elect, any part or parts, which after examination by Able 2 are determined to be defective, when they are delivered pre-paid. This limited warranty does not cover travel expense, the cost of specialized equipment for gaining access to the product, or labor charges for the removal and re-installation of the product.

Able 2 Products Company shall not be liable for incidental or consequential damages, including but not limited to : Loss of use of vehicle, Rental of substitute vehicle, Loss of time, Loss of work, Inconvenience, Transportation expenses, Telephone, Lodging, Loss of revenue, Loss of and /or damage to personal property for or arising out of breach of any express or implied warranty of its products.

Use of lamp or other electrical load of a wattage higher than installed or recommended by the factory, or use of inappropriate or inadequate wiring or circuit protection causes this limited warranty to become void. Able 2 Products Company will in no way be liable for any loss of profits or any indirect or consequential damages arising out of any such defect in material and workmanship whether loss is due to negligence or breach of warranty. This limited warranty does not apply to shipping damage, accident, alteration, tampering, misuse or abuse and unauthorized service.

This limited warranty is expressly in lieu of all other express or implied warranties, including the implied warranty of merchantability and the implied warranty of fitness for a particular purpose, and of all other obligations or liabilities on the part of Able 2 Products Company. There are no warranties, unless expressed in authorized Able 2 literature, which extend beyond the description of the face hereof. No dealer, distributor, employee, or representative of the company is authorized to change this warranty in any way or to grant any other warranty.

WARRANTIES:	11, 12 & 13 Series LED Products*	2 Years
	All Other Products EXCEPT Bulbs (under normal use)	1 Year

NOTE: Halogen and Incandescent Bulbs are not covered by warranty.
