

MODEL NO. 30.7101
Speaker Bracket

INSTALLATION INSTRUCTIONS

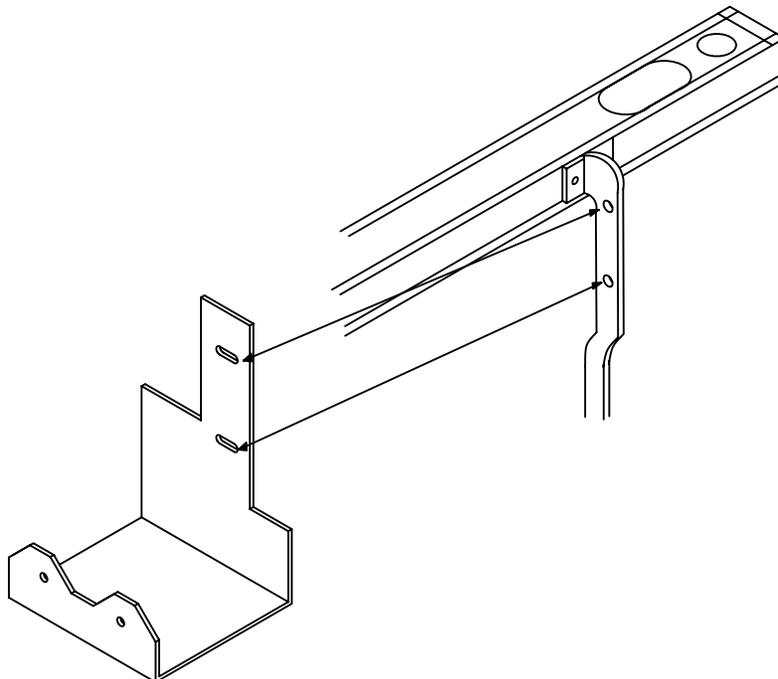

1995-97 Crown Victoria

GENERAL:

The 30.7101 bracket allows a standard siren speaker to be mounted behind the grille of a 95-97 Crown Vic without any drilling. Bracket will allow speaker to mount in a horizontal position for maximum sound performance from the speaker.

INSTRUCTIONS:

- 1) Remove plastic cover over radiator. Look into open area in front of radiator. Notice support bracket that attaches grille header panel to radiator support bar (behind driver's side headlight).
- 2) Remove 2 Horizontal bolts from support bracket. Carefully position bracket into open area and attach to the side of support bracket using the same 2 bolts. (Caution: Be careful not to damage radiator when positioning the bracket).
- 3) Bolt speaker driver to the bracket. Attach scoop style horn, and screw on tip. Adjust horn to face toward grille.
