Merchandise returned under warranty shall be subject to factory inspection and repaired, replaced or credited at the option of Able 2 Products Company, Inc. Customer negligence will VOID warranty. Return authorization is required.

If a product must be returned, contact our factory by calling 1-800-641-4098 to obtain a Return Authorization Number (RA) before you ship the product. Our customer service specialists will ask for the model number of the item, the reason for the return, a description of any problems to repair, and whether you prefer a replacement, exchange, or credit.

A packing slip should be included with all shipments listing the sender's name, address, daytime phone number and description of defect. Enclose the packing slip, RA Number and address inside the shipping carton.

Use the following guidelines for addressing your package. Customer returns are occasionally delayed because return package addresses do not meet the required Post Office or delivery service standards and are not deliverable.
