**\*\*It is recommended to set flash patterns and color selection before mounting lights\*\***

### Wire color

Red - (+) Positive (12v-24v)  
 Black - (-) Ground  
 Red/White - (+) Steady burn #1 (Possible turn/brake light)  
 White - (+) Steady burn #2 (Possible back-up light)  
 Yellow - (+) Flash Pattern/Sync Wire

### Available color combinations

Red//White/Blue  
 Amber/White/Green  
 Red/Amber/Blue

Flash pattern selection: When Yellow is connected to +12v the light flashes once per second according to your selection. Count flashes according to instructions below.

To Sync multiple lights, first set each light in flash pattern and color desired. Connect yellow wires together. The sync defaults to simultaneous. If alternating is desired, 1/2 of the lights must be set in "Sync Alternate" mode.(see below) After adjusting sync, cycle lights off/on to insure synchronization.

**Change flash pattern** – To change to next pattern apply (+) to yellow wire less than 1 second.

**Change color** – To change to next color in sequence apply (+) to yellow wire until color one flashes (approximately 3 seconds)

**Default flash/color pattern** – All colors, random flash, simultaneous sync (California mode off) apply (+) to yellow wire until #2 color flashes (Approximately 7 seconds)

**Sync Alternate** – Set light in desired pattern and color. Apply (+) to yellow wire until color #3 flashes (Approximately 10 seconds) **Light will stay off until sync wires are connected.**

**California Red Steady** – (If applicable) apply (+) to yellow wire until light sequences 1, 2, 3 and back to 1. (Approximately 18 seconds) To steady burn opposite side, repeat. To stop California Red Steady, repeat again.

## LIMITED WARRANTY

---

Able 2 Products Company warrants each new product (except batteries and bulbs) to be free from defects in material and workmanship for a period of five years from the date of purchase. During this warranty period, the obligation of Able 2 is limited to repairing or replacing, as Able 2 may elect, any part or parts, which after examination by Able 2 are determined to be defective, when they are delivered pre-paid. This limited warranty does not cover travel expense, the cost of specialized equipment for gaining access to the product, or labor charges for the removal and re-installation of the product.

Able 2 Products Company shall not be liable for incidental or consequential damages, including but not limited to: Loss of use of vehicle, Rental of substitute vehicle, Loss of time, Loss of work, Inconvenience, Transportation expenses, Telephone, Lodging, Loss of revenue, Loss of and/or damage to personal property for or arising out of breach of any express or implied warranty of its products.

Use of lamp or other electrical load of a wattage higher than installed or recommended by the factory, or use of inappropriate or inadequate wiring or circuit protection causes this limited warranty to become void. Able 2 Products Company will in no way be liable for any loss of profits or any indirect or consequential damages arising out of any such defect in material and workmanship whether loss is due to negligence or breach of warranty. This limited warranty does not apply to shipping damage, accident, alteration, tampering, misuse or abuse and unauthorized service.

This limited warranty is expressly in lieu of all other express or implied warranties, including the implied warranty of merchantability and the implied warranty of fitness for a particular purpose, and of all other obligations or liabilities on the part of Able 2 Products Company. There are no warranties, unless expressed in authorized Able 2 literature, which extend beyond the description of the face hereof. No dealer, distributor, employee, or representative of the company is authorized to change this warranty in any way or to grant any other warranty.

## PRODUCT RETURNS

---

Merchandise returned under warranty shall be subject to factory inspection and repaired, replaced or credited at the option of Able 2 Products Company, Inc. Customer negligence will VOID warranty. Return authorization is required.

If a product must be returned, contact our factory by calling 1-800-641-4098 to obtain a Return Authorization Number (RA) before you ship the product. Our customer service specialists will ask for the model number of the item, the reason for the return, a description of any problems to repair, and whether you prefer a replacement, exchange, or credit.

A packing slip should be included with all shipments listing the sender's name, address, daytime phone number and description of defect. Enclose the packing slip, RA Number and address inside the shipping carton.

Use the following guidelines for addressing your package. Customer returns are occasionally delayed because return package addresses do not meet the required Post Office or delivery service standards and are not deliverable. A proper address will ensure that your return items reach us in a timely manner. Your product will be restored to first-rate operating condition or replaced with a new part, and returned pre-paid.
