

MODEL NO. 10.3003

3 Output LED Flasher

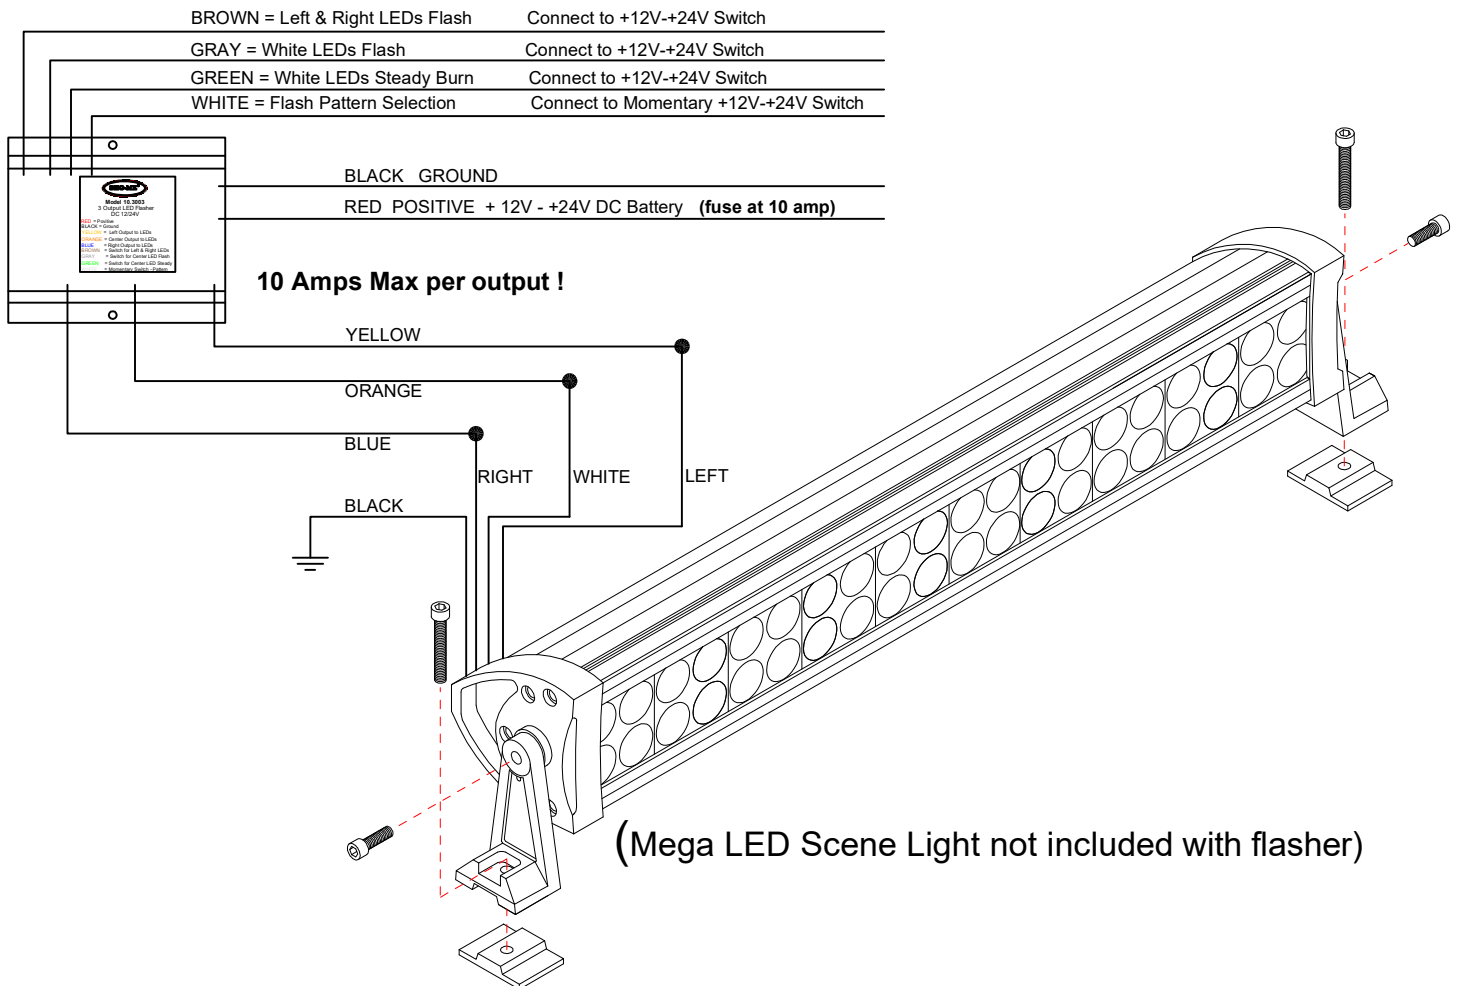

for use with Mega LED Scene Light

**INSTALLATION:**

Select a location suitable for installation of the flasher. Take special care to ensure the wires do not obstruct the deployment of the airbag! Mark the location of the mounting holes using the flasher as a template. Drill holes at these locations. Mount the flasher using the supplied screws.

**FLASH PATTERNS:** double alternating, quad alternating, quint alternating, mega alternating, double simultaneous, quad simultaneous and random.

**NOTE: This wiring diagram is for use with a 10.3003 Flasher & Mega LED Scene Light Only !**
